

# VeneerBric *quality fabric veneers*

On walls: VB104 Birdseye, Light

VeneerBric™ is a proprietary fabric that utilizes ATI's FusionTech™ process and can be customized to designer's specifications. This fabric veneer is ideal for unique wallcoverings and upholstery.

This luxurious headboard was created by combining the Medium and Dark Cherry images into one image.

## Features:

- Large 58" x 120", nominal sheet size
- Chemical & Stain Resistant
- Sound Absorbing Properties
- Fire Retardant
- UV Stable
- Easy Fabrication
- Made from recycled content and may contribute to LEED credits.
